

## Contractions

## Contractions

As the word expresses itself, Contraction means to squeeze something to make it small or short. Contraction is - in which two words joined together and made shorter by placing an apostrophe where the letters have been omitted.

**Example:** I am can also be written as I'm. Here 'a' is omitted and in place of that an apostrophe is used.

**Few more examples are as under:**

- **Using the word not:** Contractions made as under by adding the word **not** to some other word.

Words + not		
Word + not	Meaning	Contraction
