Outdoor Games

Gone are the days when kids loved to venture out and parents compelled their kids to remain inside. These days children love to play indoor games. They don't want to go outside and play in nature's lap but prefer to remain in a virtual world of video games. They love to play games on mobile phones, laptops or tablets. Kids are becoming captive of these games and are fast losing touch with reality and are having less interaction with their families. Kids are becoming aggressive and obstinate. Video games are not only destroying the kids mentally but they are also having a heavy toll on their health as kids seldom go out for games involving physical activities.

Physical activities play an important role in everybody's life. It is essential for well being of everyone. There are many games like kho-kho, kabaddi, gilli-danda, cricket, football and badminton etc which can be played outside and can help children in building their stamina and leading a healthy life. Playing outdoor games with friends help to build team spirit between kids.

Parents should encourage their kids to go and explore the real world outside, play outdoor games with friends and build healthy habits.

Question: Where today's children love to play?

- A.** In playgrounds **B.** Outside their homes **C.** Inside their homes **D.** On roads
-
